Welcome aboard Executive Chefs!

Every season brings new and exciting changes to Scugog Island Cruises and this season is no exception. Please join us in welcoming our new chefs, Andrew Green and Scott Gregor, to the M V Woodman family. Both chefs bring a wealth of culinary experience to the Woodman and they look forward to tempting your taste buds. With our new chefs on board we are able to further enhance your Scugog Island Cruise experience with wonderful culinary choices ranging from the traditional to the exotic. Turn to the next few pages and see what these chefs have to offer you.

Chef Andrew Green has been conquering the culinary world for over 20 years which all started with a degree in Culinary Management from George Brown College. His career began at the Toronto Skydome as Sous Chef for the private restaurant Sightlines and, through hard work, Andrew became Executive Sous Chef of Skydome. From there Andrew spent a few years as Executive Chef for the By Davids Group of Companies which included the Rose Reisman Catering division.

After moving to Montreal, Scott Gregor enrolled in Liaison College, a private culinary school where he received his degree close to the top of the class. Scott then started a small catering/café and, later, a popular film catering company hired Scott to be a film caterer to the stars and staff on production sites. A couple of years later, Scott was hired as the Manager of Catering Operations under Rose Reisman, a well-known nutritionist.

Whether you choose our light lunch cruises or our popular themed Dinner Dance Cruises, you are sure to enjoy a wonderful culinary experience with menus that range from Canadian cuisine to Italian, Oriental, Hawiian, Caribbean, French, Mediterranean and German; all enjoyed with a beautiful romantic backdrop and spectacular sunset that only Lake Scugog has to offer.

Your culinary experience is not limited only to our Dinner Dance Cruises. If you are planning your wedding, a special birthday, anniversary, family reunion, company gathering or a celebration of life, you too can enjoy a wonderful meal provided by Andrew and Scott as part of a package that provides everlasting memories. Something special awaits everyone who boards the Woodman. Bon appetite everyone and happy cruising!

Do a short video of having fun on the Woodman and you could win a \$200 Gift Package. It can be just onboard the Woodman or combined with doing something in Port Perry or around Durham Region. We'll post your video (a minimum 30 seconds to maximum 2 minutes) on You-Tube - Scugog Cruises' Video Channel. Just email your video to info@scugogcruises.com or drop off CD at 166 Water Street. The best video for 2008 Season will receive a Gift Package - value of \$200.00. Contest closes September 15th, 2008. Stay posted for more details in our upcoming newsletters.

First Cruise of the season yields over \$2000 for the 2008 Ontario Special Olympics Games.

Each year the M V Woodman kicks off the season with a fundraiser and this year we are pleased to announce that we raised over \$2000 for the 2008 Ontario Special Olympics that took place in Durham the last weekend of May. Over 900 athletes coming from all parts of Ontario competed at various venues in Durham showcasing their talents.

Thank you to all who attended this special cruise and with your generosity we raised enough money to help sponsor two athletes for these games.

We would like to thank the following businesses and individuals who helped make the cruise such a success: Durham College, Great Blue Heron Charity Casino, Mill Street Bistro and Catering, Township of Scugog, Hank's Pastries, Reid's Independent Grocer, Staff of Scugog Island Cruises and Staff of Penny & Associates.

We would also like to thank the crew of the Woodman for volunteering their help and a special thanks to Elgin Knopp, Deputy Chief Chuck Mercier, Staff Sergeant Nick Lisi, and Auxiliary Officers Kim Stoneburg and Sandra Mayer of the Durham Regional Police Service whose time and dedication has made this event a great success.

Captains Ed and Betty Penny of the M V Woodman proudly presented a cheque for \$2,050 to Deputy Chief Chuck Mercier of the Durham Regional Police Service in support of the 2008 Special Olympics Ontario Games.
